#### Salary, Fringe Benefits and Local Issues 2022-2025

The teacher contract between St. Nicholas School, and the Youngstown Diocesan Confederation of Teachers, which represents St. Nicholas School teachers, is for the school years 2022-2025.

1. St. Nicholas Parish shall abide by all state and federal laws governing contributions to FICA, unemployment compensation, and worker's compensation.
2. St. Nicholas Parish will deposit payroll funds one week prior to payday to the designated payroll company so that the designated payroll company will make electronic transfers on payday.
3. Teachers who have accumulated 20 years of service in the Diocese of Youngstown school system will receive a one-time bonus of \$5,000 at the time of retirement. The payment of \$5,000 will be prorated to St. Nicholas Parish.
4. If the total number of personal and sick days exceeds 189 days at the end of the school year, those days will be bought back at a rate of \$50 per day. They are to be reported by the teacher to the principal by June 15. The teachers will be paid in a separate check by June 30.
5. Eligible lay employees will be provided a paid-by-the-employer life insurance policy. The benefit payable is 1.5 times an employee's annual salary for a minimum of \$30,000, maximum of \$150,000, payable per claim. Reductions in the benefit payable are taken for employees age 65 and older who are actively employed. This benefit is in effect for all eligible employees until their termination or retirement.

The parties agree that if the amount of the diocesan insurance benefit ever goes below \$25,000 of coverage, any party may reopen negotiations on this part of the contract only. Notification to reopen must be made within 30 days of this change.

6. A \$500 stipend will be given to those holding a current religious education certificate.

Teachers whose stipend had been greater than \$500 are grandfathered in at that rate so long as they keep their religious education certification current.

7. A stipend of \$2,700 will be allotted per school, per year extracurricular activities. These are to be determined by school and listed. (ex. liturgy coordinator, student council leader, those who prepare students to receive Sacraments). A Confederation representative and the school principal will determine stipends for extracurricular activities on a yearly basis. These activities and stipends will be listed by the first teacher in-service in August.
8. A minimum of 200 minutes of preparation time will be given to full-time teachers per week within the parameters of the instructional day. When special circumstances arise (emergencies, staffing changes, and any agreement in a memorandum of understanding) the amount of time given and when it will be given will be agreed upon by the principal/president, the classroom teacher, and a Confederation representative. Principals/presidents will make every effort to see that these periods are made available to their teachers.
9. We will have a 3% increase in salary for the 2022-2023 school year. We have negotiated and agreed upon having annual salary negotiations.
